FOREWORD

Dedication

The 1976, Forward is dedicated to the spirit of America. In this bicentennial year the students of Franklin High School dedicate themselves to making the years ahead as great as our nation's first two hundred.

In Memoriam

Todd Kneser

Born--March 13, 1956

Died--May 14, 1975

It's difficult for me to accept the reality of what I've just said; even though, I have just said it. Death to most of us is a mystery; however; we understand death for the first time when he puts his hand upon one whom we love. While Todd was with us, his collection of friends and accomplishments were ample. Certainly his life was more significant than a few lines in the morning or evening newspapers. To his family, he was a devoted son and brother. To his peers; a person who cared. To his instructors; a scholar. To his teammates; most valuable. To his coaches; an athlete who took little and contributed much. And to all a friend indeed. Although the story of life will most assuredly go on; it appears as if death has stolen an important chapter from us.

ACTIVITIES

Evening In Paris

As spring breezes whispered through the trees an Evening in Paris was soon to become a reality.

The royal court was proclaimed at the Prom Preview Fashion Show.

Finally, on May 10, 1975, the long awaited Evening in Paris arrived. As the many couples entered the decorated gym, the music of Diamond Rio resounded through-out the gym. The coronation ceremony was a special moment for five couples-- as Prom Queen, Jean Ann Schneider and Prom King, Richard Duranso were officially crowned and enthroned. Their Court of Honor included Wendy Kawczynski and John Wajer, Jon Porter and Lori Kyser, Ronald Pyne and Sandra Couillard, and John Zepezauer and Susan Mohrhusen.

The dance continued until 11:30 which was followed by the Post Prom held at the Ramada Inn. The Post Prom dinner dance continued until the wee hours of the morning. This was the grand finale of a fantastic evening in wonderland.

This spring, Mr. DeWaard directed another fine production, "Dirty Work At The Crossroads." The actors in the play were outstanding in their roles. The villain--Munro Murgatroyd--played by Mark Rutkowski, was the most dashing and devilish of all time; his wife--the infamous Ida Rhinegold, played by Janet Piraino was equally corrupt; Nellie Lovelace--the heroine played by Sherry Schultz was extremely virtuous and innocent, and her fiance, Adam Oakhart was an upright young man. Munro one who could always charm a woman out of her fortune chose Nellie as his next victim. She fell for him, abandoning Adam. The romance falls thru and Nellie is left alone. Adam returns a drunkard and is charged with the presumed murder of Ida Mookie Mugguggins. The friendly sheriff played by Rich Sintz, releases Adam but Munro returns in time to abduct the beautiful Nellie and tie the sheriff and Adam to the railroad tracks. He catches his own foot in the track and Ida returns perfectly healthy. She reports that she has reformed and releases Adam and Mookie. She leaves Munro caught in the tracks and his diabolical life ends. All are allowed to live in peace.

Mr. Marcoe was the technical director and Nancy Aten was the lighting technician.

The
Sea”

Homecoming weekend began on a Friday with a rousing pep rally. The alumni captured the spirit stick. Afterwards a sock hop with music by the Rough Trade was held. A parade headed off Saturday's festivities, where the sophomore class won the float competition, followed by a pleasant homecoming game with the Sabers eating up St. Francis 14-7, retaining the golden shovel.

Reigning over the Homecoming dance, "Sounds of the Sea" were King Larry Rohrwasser and Queen Mary Pauly. Their court included Mark Holterman and Sue Baumgart, Tom Ptacek and Virginia Hornak, Dean Pelzek and Sue Rohach, Pat Murphy and Mary Kucinski, John Peart and Dina Kenellakopoulos.

Third Stone provided the music for an enjoyable evening.

Whitnall Choir At Franklin

This year the Franklin Choir began an exchange concert series with the choir from Whitnall High School.

The Whitnall Choir came to Franklin in December to perform for the student body in a voluntary assembly. In the Spring, Franklin returned the visit by traveling to Whitnall to perform for their student body.

F.H.S. Students Digging Up The Past

During the school year Franklin High School students participate in a wide variety of field trips. The trip pictured on this page was planned jointly by the high school anthropology class, Forest Park Middle School science and history students, and the Franklin Historical Society. The trips plan called for an excavation around the foundation of the pre-Civil War Godsell home, the above ground structure having already been moved to Legend Park, and for a search of the grounds. The excavation and search led to the discovery of some artifacts, which were taken for display at Forest Park.

“Hare And The Tortoise” Takes An “A” At State

This years contest play "The Hare and the Tortoise" directed by Mrs. Jean Krueger, worked its way through district and sectionals, receiving "A" ratings. At state the play also received an "A".

The other human characters were played by Nancy Aten, Wendy Swanson, Kathy Riske, and Eddie Albright.

A Memorial To Mr. DeWard

Before his premature death on July 24, 1975, Mr. DeWard was the director of the vocal and drama departments at FHS.

Most of all, he was a friend to all of his students. Mr. DeWard always had time to help us "kids," as he always called us, and to listen to us. He never put off giving special help to those who wanted it.

Words are not enough to express the love and dedication he gave to each of us who knew him, and the love and appreciation we gave in return.

The welfare and educational needs of Franklin students were guided by the administration and school board of School District Five Franklin. Many hours were spent in planning and examining those methods which would give the young people of Franklin the best chance to grow in knowledge.

As part of this year's short and long range planning the school board and administration gave very careful consideration to the school district's budget and the expansion program at Franklin High which is being completed this year.

J.V. Builds For The Future

Franklin J.V. ended their football season with a 2 and 5 won-loss record. Many of their games were played against teams consisting mostly of Juniors, where the Sabers used only four Juniors.

Some of the young men that performed well for the J.V.'s were Glen Glow, Mike Fisco, Chris York, Jeff Marek, Dale Wiza, Dave Megna, Todd Olsen, and Mike Mohrhussen. Franklin will be looking forward to these and others to help fill vacancies on the Varsity squad next season.

This year's Freshman football team with a record of 3 wins, 2 losses, and 1 tie, gave us the best frosh record in the history of Franklin High School. A total of 116 points scored also set a ninth grade record.

Injuries slowed down the Sabers early in the season but they came back and tied undefeated Muskego after being behind 14-0 mid-way in the fourth quarter. The tying points were scored with 7 seconds remaining.

Langenohl Second In Conference

Franklin has a successful cross country season with forty wins against twenty seven losses, a second place finish in the twelve team Franklin Invitational and a fourth place finish in the Parkland Conference Meet. The year was highlighted by the outstanding performances of Bob Langenohl, who placed second in the Conference. Senior Doug Neis was team captain.

The J.V.'s were not as successful but had good performances from Ron Statza, Art Thiele, and Dan Plohocky. 1976 should be the year of the Sabers in Cross country since the squad will lose only one graduation senior.

Girl's Basketball

The young age of the girl's varsity basketball team, along with a very long season did not alter the squads positive moral. The varsity finished their season with a win-loss record of 1-15, and the J. V. squad had a 4-12 record.

The captain of the varsity team was senior Linda Kulka, one of only four senior on the squad. Laura Lembke was captain of the J. V. team.

Saber's Rebuild

With only three lettermen returning, the Sabers fought their way through a tough basketball season, suffering the losses of some close games. With this young team the season was primarily a rebuilding year as it provided valuable experience for next year's squad.

This year, it wasn't the winning that counted, but the sportsmanship with which the team played.

Junior, Mark Carstensen received an honorable mention on the All-Conference team.

J.V.'s Fourth In Conference

Franklin's J. V. posted a eleven and seven record with their conference record of ten and six giving them the fourth best record in conference.

Chris York led the team in scoring and rebounding before he was pulled up to the varsity for the last four games. Tom Duranso was the floor leader. Joel Cortez averaged thirteen points a game. Craig Gebert and Bob Lakomski completed the starting five. Key substitutes for this successful season were Pat Seib, Mike Mohrhusen, and Jim Thompson.

The Freshmen basketball team won only two games, but the potential was there. Ron Krueger was the captain of the much improved squad.

Saber's Place Third In Conference

It was a young varsity that gave Franklin a 5-3 conference record, and placed third in the Parkland Conference Meet.

Coach Keepers is quite optimistic about next year's season, which will see many returning lettermen.

Captain Steve Whitted was voted most outstanding wrestler. Dan Winter was voted most valuable. Dan was conference champ in his weight class and placed second in regionals. Mike Winter placed fourth at the state sectionals. Mark Kaschak was conference champ in his weight class and placed third at the state sectionals. He missed going to state by one point.

J.V.'s Have A 4-2-1 Season

The Junior Varsity wrestlers had a fairly good season finishing with a 4-2-1 record in conference competition, and a 3-2-0 record in non-conference. The young sabers finished sixth in a field of nine tough schools at the West Allis Hale Invitational, and did well at the Waukesha Tech Tournament to close the Season.

Frosh Show Potential

Although the freshmen wrestlers represented only nine weights out of the seventeen weight classes, each of these has a good potential for the J. V. team next year. Voted most valuable was Brian Stern, who had won six out of the seven matches he competed in this year.

Girls Gymnastis

The Girls Gymnastics team has much to be proud of this year after a very fine season. Many long hours were spent in practice and their efforts have been greatly appreciated.

The following girls deserve special recognition: Anna Freiheit, for achieving the highest individual score in 5 out of our 9 meets and also for receiving the most "places" of any of our gymnasts; Chris Rohrausser for acquiring most overall team points (132.86 for the season), and our co-captains Geri Kintop and Alice Elliott.

The first Parkland Conference Girls Gymnastics tournament were held this year. Placing were Karen Selke, first place beginner beam; Sue Freiheit, third place beginner beam, intermediate unevens; Cindy Robb, first place beginner vault, Amy Ellefson, second place intermediate vault; Cheryl Andersen, fourth place optional vault, and Chris Rohrausser, fourth place optional all-around.

Franklin's boys gymnastic team was a young one this year with ten of its sixteen members being first year men. They put forth a fine effort, with senior Les Kieffer leading the way. Les scored over 300 points for the team and broke school records in the highbar, parallel bar, all around, and still rings. He was voted gymnast of the year.

Other outstanding performances came from Dan Nekich in floor exercise, Paul Hesse and Mike Rohrwasser in vaulting, and John Starr on the rings.

Matched against tough opponents throughout the season, the Sabers captured a good number of titles and trophies. Among these were third place in the Indoor Conference, third place in the Conference Relays, and firsts in the Grafton Invitational and the Saber Invitational. This led up to our great victory at the Parkland Conference Meet. With eight individual conference titles, four of these going to Terry Cruikshank, two to Bob Eddy, one to John Scheetz, and one to the relay team of John Wajer, Larry Rohrwasser, Dean Goetz, and Rick Schulz. It was a fitting climax to an outstanding year.

At the Regional Meet Franklin placed third out of eight teams. At Sectionals, the Sabers placed fourth out of sixteen teams.

Terry Cruikshank went to State in low hurdles, high hurdles, and long jump. Terry holds the Class A low hurdle crown.

The mighty Franklin Sabers finished third in the conference with a record of ten wins and five losses.

Selected for the All-Conference first team were Rick Duranso, pitcher, Dean Goetz, first base, and Andy Johnson, second base. John Wajer was selected for outfield on the second team. Leading hitters for the season were Andy Johnson, .386, and Dean Goetz, .358. As Coach Brockway said the "season was respectable but somewhat disappointing.

The Saber J.V.'s finished strongly after a disappointing start. After winning the first game and their losing five consecutive games the Sabers settled down and won nine out of the last ten games. Their final record being ten wins and six losses. Dan Rather was selected as the most valuable player. Tom Duranso, selected team captain, led the J.V.s with a .421 batting average.

Dina And

This past year, Franklin High School had two A. F. S. students under it's roof, John Peart from Bairnsdale, Australia; and Konstadina "Dina" Kanallekapoulou of Patras, Greece.

John Stayed with the Ronald Bettach family, while Dina stayed at the Richard Parker home.

In the fall, both John and Dina were honorary court members for the Senior Homecoming dance.

John participated in Saber sports activities as a member of the J. V. and Varsity football squads and co-manager of the Varsity basketball team.

Knowing John and Dina was an experience and a pleasure. Franklin High enjoyed having them as A. F. S. students and hope that they enjoyed their year of learning at F. H. S.
